Mock Examinations February 2022

Dear Parents/Guardians,

Please see page 2 and 3 for the calendar for the Mock Exams for you daughter. Mr Kehir, our Mock Exam Coordinator, has visited each 6th Year class and each 3rd Year class regarding this calendar.

If you have any queries regarding the calendar or the mock exam fee, please contact reception@loretoclonmel.ie or (052) 6121402.

Students not sitting an exam should be in the exam centre studying/revising. Students who are staying at home to study should follow the usual protocol for sending in notes to explain absences. Also if arriving late or leaving early a note is required and the student signs in or signs out at reception and shows this note both at reception and to their Year Head.

We want to remind you that these Mock Exams are a **practice run** for the June exams. Students should remember that they are practising for June and that they will not be fully “exam ready” until June. These Mock Exams should be used as a learning opportunity to make a note of what can be improved upon and what went well. Please remind your daughter to get some exercise or fresh air each day and also to try to get proper sleep each night.

As always, if you want to let us know in confidence of any information that you feel is important for us to know please do phone or email the school and a member of our Student Support Team or a Year Head will phone you back.

Yours faithfully,

Sarah Rice,
Acting Principal

Michele Culliton,
Acting Deputy Principal
