

# Loreto Secondary School Clonmel

Coleville Road, Clonmel, Co. Tipperary

Wednesday 24<sup>th</sup> April 2021

Dear Parents/Guardians and all our Students,

We hope that you are well and that you are staying safe. We are very glad to have our 5<sup>th</sup> Years and 6<sup>th</sup> Years back to school for in-person teaching. **We are looking forward to seeing all students back on the campus on Monday 12<sup>th</sup> April 2021.**

For us all to be able to return after Easter we need to be sure that **we all stay safe**. We have heard that there are some events/gatherings being scheduled prior to our return to school students even though the guidelines do not permit this. We are asking our students to remain at home in their own family bubble and not breach current guidelines.

Can we ask parents/guardians to discuss current guidelines with their child/children? Please read the guidelines with at this [link](#). In short, the guidelines say:

- **No** organised indoor gatherings should take place.
- **No** organised outdoor gatherings should take place.
- **No** visitors are permitted in private homes or gardens
- **No** social or family gatherings should take place in other settings outside your home or garden

**We know it is hard for you not to visit your friends in their homes or gardens. Our priority is to have everyone back on campus. To do this we need all our students- to make positive decisions for the good of the entire school community.**

The HSE have prepared this [YouTube video](#) to your daughter to watch in advance of her return to school.

Thank you for taking time to read this and for making the right decision.

Yours faithfully,

Áine Powell
